Cooler Evenings

August may be warm through the day but always sure to have cool evenings. The garment most worn for comfort with some degree of style is a Hoagknit Sweater. These Sweaters are now being shown in our window. We question very much if you find another make at our price quite as good as the Hoagknit Sweater.

Hoagknit Sweaters

Outing parties, camping and tennis parties need a good serviceable, up-to-date Sweater. This garment is so popular and so serviceable that ladies can see economy in buying a good grade Sweater.

Hoagknit Sweaters puts it all over any other make that we have ever seen. They are better made, better fitting and better priced.

Hoagknit Sweaters for children at 98c; Hoagknit Sweaters for misses' \$1.75 and \$2.98; Hoagknit Sweaters for boys the same as misses; Hoagknit Sweaters for ladies \$2.98 \$3.98 and \$5.98. These all have the new roll collar. Our \$5.98 is a shaker in men's weight. All colors, including Brown.

We have sold Hoagknit Sweaters for years; we have confidence in them. We guarantee them to be right. We will parcel post them free to any part of New England.

Garment Department

If you haven't a real garment want it will pay you to take a look over this department. You may find values here that will save you half of your money; a chance to buy a pretty fall suit or a fall coat at but half of what you would be willing to pay later.

You could use a light weight Waist at a bargain or a neat Dress at \$1.00 that is worth nearer two.

Children's Dresses in this department at sale prices. A good time to pick up school Dresses for next month.

All of these kinds you can find out about by mail. You can order by mail and we will pay the parcel post. You can order a selection, we pay one way; you pay the return, a small expense to see the goods at home.

We do alteration on all garments that are marked down at actual cost of work.

We will be glad to show you, you to be the judge of these mark down values.

The Waiter's Price.

It was a banquet where a notable gathering of politicians has assembled. A certain aspiring young attorney was among the number, and as he spied an influential judge at the far end of the parlor he called the head waiter, slipped half a dollar into his hand and whispered: "Put me next to Judge Spink at the table."

Upon being seated, however, he found he was at the other end of the room from the judge.

He called the head waiter to explain. "Well sir," replied the official, "fact is that the judge gave me a dollar to put you as far from him as possible."—Lippincott.
